Product Description

Toro 60V Telescoping Shaft String Trimmer - 2.0Ah Battery Included

Take on tough jobs with the 14 in. / 16 in. brushless string trimmer. Built for precision and power, the aluminum shaft ensures effortless handling, while the adjustable length provides a perfect fit for every user. Take full control with variable speed and reload the pro-grade 0.095" line quickly using the speed-feed head. Designed for the toughest conditions, the durable cast aluminum motor head and collapsible shaft make it both rugged and portable. With up to 45 minutes of runtime from the 2.0 Ah battery, you can take on any task with ease. Count on it.

- The telescoping shaft quickly adjusts to fit you
 - Ultra-high capacity twist-to-load bump head holds 2X the line†
 - Collapsible shaft for compact storage and portability
 - Up to 45 minutes of runtime with 2.0 Ah battery‡
 - Variable speed trigger and high/low selector for ultimate control
 - Cast-aluminum motor head for long-lasting performance and reliability
 - Ergonomic handle with textured grip and balanced weight distribution
 - 3-phase brushless motor with RunSmart™ technology
 - Use any 60V Max* Flex-Force battery to power any and all of the 75+ tools in the all-season lineup
 - Download the MyToro app from your mobile device's app store for easy access to product resources, including manuals, how-to's, and more
-
